WICHITA MARKETS.

Receipts of live stock at the union stock yards for 24 hours, 70 cattle, 618 hogs. The run of stock was light, even for Monday. Two or three cars were reported to arrive too late for today's market and several were held back on account of the wreck on the Santa Fe. There were a few choice butchers cows and hogs and some good steers, but the bulk of the offerings were rather common. Some cattle were unsold at the close. The hog market opened strong at Saturday's close. Prospects are very good for a steady market for a few days. The market was active and the offerings were soon used up. The packers were strong buyers. There was a strong feeling at the close. Bulk of sales, \$3.87 1-2.
